

**CONESTOGA GOLF CLUB
SUN CITY RESIDENT GOLFING COMMUNITY
ANNUAL REPORT
February 2025**

Introduction: Here at the Conestoga Golf Club, we are fully committed to continuously improving the Conestoga Experience for our Sun City Mesquite golfing community. The purpose of this report is to highlight our 2024 successes, and touch lightly upon what you can expect for the 2025 season.

Pricing: As previously announced all resident golfing fees and booking windows for the 2025 season will remain the same. No one can promise the future but, please know we are committed to keeping Resident golfing fees as affordable as possible.

Overview: Residents played 14,714 rounds of golf during the 2024 season. Resident golfers accounted for 43% of all rounds played.

Our Resident-Only golf leagues continue to grow and flourish. The Conestoga 18-Hole Men's League now has 169 members. The 18-Hole Ladies' league has 44 members. The 9-hole Ladies' Nine and Wine League has 91 members and the Men's 9 and Beer League has 103. Sign-up information is available on the Resident-Only page of the Conestoga Website.

2024 Season Highlights: This season has been an amazing year. We formed the Resident Advisory Committee; expanded Resident-only booking windows; experimented with the removal of restrictions on the use of private carts during league play; hosted two inaugural Resident-only tournaments (Closest to the Pin and Octoberfest); added an on-line waitlist (Notefy)¹ and expanded the Resident-only tab on the Conestoga website.

2025 Season: The Resident-Only Closest to the Pin Tournament has been scheduled for June 21, 2025, and the Resident Only Octoberfest Tournament is set for September 30. Those who were waitlisted last year will have the first opportunity to sign up. Watch for the announcements, these tournaments will sell out quickly.

In addition to the Resident-only events, Conestoga hosts two charity events that are open to Residents: the UNLV Foster Scholarships on April 28 and the First Responders Tournament on June 21. Residents may enter the UNLV event by contacting Nicole Loo at Nicole.loo@unlv.edu. Residents may register for the First Responders event by contacting Kenny Huff at kenny@eagleslandingmgmt.com. A new alternative format, mixed, resident-only league will be forming and is likely to begin play in April or May. League play will run for 6 to 8 weeks. More details will follow.

Our subscription with Notefy will be renewed. If you haven't signed up yet, consider doing so. It is a great way to take advantage of short-notice openings.

We will continue to grow the Resident Only tab on the Conestoga website. We suggest you visit it often.

The Resident Advisory Committee was formed to enhance communications and to develop/coordinate Resident-Only golfing opportunities. If you have any questions, concerns, or suggestions please reach out to one of the committee members. Their contact information is listed on the Resident Only Tab of the website and they look forward to hearing from you.

Come out, make new friends, and enjoy some of the best golf in Nevada!!
